General Manager

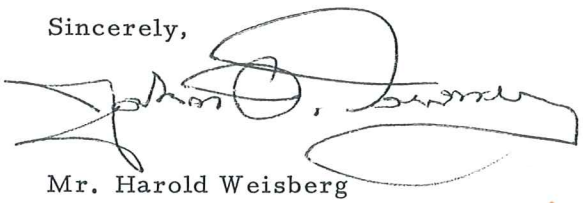
Dear Mr. Weisberg:

In reply to your most recent letter of August 28, 1967, we have carefully reviewed your request and find no reason to change the decision which I stated in my letter to you dated August 23, 1967.

We believe that the various points of view on the issue you raise have been fully and fairly presented over WCAU Radio, and that there is no basis for your intimation that you were slandered in March 1967.

Thank you very much for your interest in WCAU.

Sincerely,



Mr. Harold Weisberg
